

Since 1948, Honeycomb Company of America, Inc. (HCOA) has been in business manufacturing quality aerostructures. Now in our 67th year, we are recognized as a leader in the manufacture of bonded metal-to-metal, metal-to-honeycomb, and honeycomb to epoxy-composite assemblies for military fixed-wing and rotary-wing aircraft. Our manufacturing plant is co-located along with our corporate office in beautiful Sarasota, Florida. The entire facility encompasses 150,000 square feet in twelve buildings on approximately twelve acres.

**Job Vacancy:** *Quality Inspector*

**Date Available:** *Immediate Opening*

**Location:** Sarasota, FL

**Job Summary:**

The Quality Inspector is primarily responsible for inspecting parts through the various departments in accordance with applicable work instructions. Additionally, this position is also responsible for ensuring that all Quality related documentation is complete and accurate, and for monitoring the daily processes of multiple departments in order to ensure adherence to customer specifications and established processes. This position requires strong attention to detail, and focus on accuracy.

This position requires a minimum high school diploma or equivalent, and must be able to speak, write, read and comprehend the English language with ease.

The ability to follow established written methods and procedures, read and understand mylars/blueprints, use standard measuring equipment properly, and use basic electric meters, is required. We require a minimum of 2 years of experience in hands-on quality inspection, preferably in aerospace manufacturing. Local candidates only, no relocation package provided for this position.

Must be able to lift up to 25 pds on a continuous basis, and up to 50 pds occasionally. Ability to frequently stand, walk, reach, and read test equipment, read and write the English language, push and pull large racks and drums, and ability to see colors is required.
